

iSportsmanUSA Pro-Writer Submission Guidelines

Who We Are: iSportsmanUSA is the media branch of the iSportsman enterprise. We are here to serve hunters, fishermen, and other outdoor recreationists, connecting them with content they enjoy. We're your go-to spot for outdoor news, expert tips, feature stories, and gear reviews.

What We Are Looking For: Here at iSportsman we are looking for engaging stories from the outdoors, including personal trip recollections, profile pieces, how-tos, gear reviews, and more. We accept pitches for both new content and re-prints. Timely content relevant to the current hunting season will be prioritized over other pitches. If you are interested in pitching and article, please follow these guidelines:

1. Email your pitch to Editor@iSportsman.com. Please include the following in the email: your name, a little about yourself, and your pitch — you may also attach any other works you feel best represent your prior work.
2. Keep in mind that iSportsmanUSA roughly follows the AP Style Guide.
3. iSportsmanUSA compensates pro-writers for both original content and re-prints. Compensation is negotiable, please include your desired rate in your email pitch.

I've Submitted My Pitch, Now What?

Once you submit your pitch you can expect to hear back from us within one month letting you know whether iSportsman is interested in publishing your story. Due to the volume of pitches we receive, we may not respond to every inquiry.
