

iSportsmanUSA User Submission Guidelines

Who We Are: iSportsmanUSA is the media branch of the iSportsman enterprise. We are here to serve hunters, fishermen, and other outdoor recreationists, connecting them with content they enjoy. We're your go-to spot for outdoor news, expert tips, feature stories, and gear reviews.

What We Are Looking For: Here at iSportsman, we are looking for memorable and interesting stories from the outdoors. If you have any exciting tales about recreational activities such as hunting, fishing, camping, and more, this is a great opportunity to share your passion with the world. If your submission is selected, it will be featured either online, in the newsletter, and/or in our yearly magazine. **If you are interested in submitting an article or photograph, please follow these guidelines:**

- Subscribe to the iSportsmanUSA newsletter to gain access to the exclusive submission link included in every edition.
- Submit your story via the provided form linked within the newsletter.
- Submissions can consist of written texts, AND/OR pictures. You do not need to have both to submit.
- We accept submissions year-round but, while we accept all outdoor stories, those relevant to the current season will often be considered first.

I've Submitted My Pitch, Now What?

Once you submit your story and/or photo, you can expect to hear back from us within one month, letting you know whether iSportsman would like to proceed. Due to the volume of submissions we receive, we may not be able to respond to every person. If we need more details on your submission, we will reach out and request an interview with you. Anyone who submits will be automatically entered into our quarterly raffle to receive an iSportsman swag-bag to show our appreciation. Raffle winners are drawn at the beginning of the following quarter and will be contacted via email.

Legal Stuff:

No purchase is necessary to win the user submissions quarterly raffle. A purchase will not increase your chances of winning. Multiple entries will not increase your chances of winning. All federal, state, and local municipal laws and regulations apply. Void where prohibited. By submitting your story and/or photos to iSportsman you thereby grant iSportsman the use of your content in various media forms as iSportsman sees fit.
